The image consists of two side-by-side screenshots of a web application interface. Both screenshots feature a header with the International School of Finance and Technology logo and the word "Kabinet". Below the header is a navigation bar with three tabs: "Ma'lumot" (Information), "Ariza" (Application), and "To'lov" (Payment). The "To'lov" tab is highlighted in blue. Underneath the tabs, there are two buttons: "Payme" (highlighted in blue) and "Bank orqali". Below these buttons, the text "To'lov: 85 000 so'm" is displayed. At the bottom of the left screenshot is a green button labeled "ОПЛАТИТЬ Payme". The right screenshot shows the same layout but with different button states: "Payme" and "Bank orqali" are both in a standard white state, and below them is a green button labeled "Rekvizitni yuklab olish" (Load Requisites).
